The island of Zanzibar is considered one of the jewels of the Indian Ocean. In Zanzibar, nature and history are closely linked. Visit Stone Town, the historic centre of Zanzibar City. Explore the fauna of the island, dive into the crystal-clear waters or use the island as a base for safaris.

#### Selous Game Reserve

Selous Game Reserve is the largest nature park in the South of Tanzania. By the rivers it is easy for the animals to find food and water, so it is also easy to view them. The faunal reserve is unique for the diversity of animals that can be sighted. Elephants, hippopotamus, African wild dogs, cape buffalos and crocodiles are relatively easy to find and photograph.
